## Girl of the Week.

She is not employed and devotes her time being mothers "right hand" and loves it.

Sewing she wants no part of.

Born in Aruba on August 6, 1931, Maria attended the Santa Rosa school and she now takes typing lessons.

Her favorite sports are softball and football and, living right near the Wilhelmina Stadium, she hardly ever misses a football match.

Dancing and movies are next on her list of "likes" and her hobby is reading.

Her heart is still all hers.

She has heard and read very much about traveling and she hopes to do some of it in the future, not having had the opportunity so far.

### EDITOR TAKES A VACATION (HE HOPES)

Starting today and continuing for the next 4 weeks, the editor will silently slip away on a vacation of sight-seeing, fishing and relaxing, thereby forgetting the world around him, hearing no whistles, ignoring deadlines and not even reading the papers.

He appeals to "Local" supporters — readers, advertisers, critics and enemies, to refer all business normally buzzed to him to either Mr. H. van Bochove, E. A. Bailey or S. Brathwaite during this period and to dial phone Nº 5293 only in cases of extreme emergency.

For this cooperation he'll be extremely grateful, and that is the honest truth!

### WATCH YOUR SPEEDOMETERS

In the "Arubaanse Courant" of October 3, 1952 we read: "The Commissioner of Police requested us to announce that in the very near future strict control will be exercised in connection with exceeding maximum speed limits. The strongest possible action will be taken against transgressors. In surprising ways you could be 'nabbed', among others by so-called police traps (control by placing policemen in various locations armed with chronometers).

There will also be a strict control in the city area, especially so on the Lloyd Smith boulevard in Oranjestad and Ceintuurbaan at San Nicolas".

Inasmuch as THE LOCAL considers this matter of general interest to the entire community and not only to readers of the "Arubaanse", we took the liberty of printing

the translation of the above article so that also the English speaking motorists may be warned and guided accordingly.

### PUBLIC ANNOUNCEMENT.

According to a public announcement, also appearing in the "Arubaanse" and signed by Postmaster P. H. J. Breusers, it occurs frequently that private individuals send letters and the like without any postage to government agencies.

This is not permissible. Only the above government agencies may use postage-free envelopes with the indication "Government" and the name of the department. For private individuals there are only two cases in which no postage should be paid, i.e., for inquiries instituted on behalf of government agencies and for tax assessment bills, provided the government envelopes supplied by the departments concerned are used.

In all other cases, documents without postage stamps or with insufficient postage sent by private individuals to government agencies will be returned.

### PUBLIC LIBRARY AND READING-ROOM ARUBA

At the request of Dr. Johan Hartog, librarian of the Public Library and reading-room we publish the following:

The budget of Aruba is available for reference in the reading-rooms of Oranjestad and Saint Nicholas.

We also have the Curacao-budget in the Oranjestad reading-room. The budgets of the other islands are not available as yet, but have been applied for.

At the end of October the printed catalogues of the library will be sold.

In cooperation with the Lago Oil & Transport Company we have an exhibition of pictures of the oil-industry. Every few weeks we get new pictures.

### J. C. CURIEL TO VISIT ANTILLES.

The Surinam National Minister of Economic Affairs, J. C. Curiel, will make a good will trip to the Caribbean Area arriving at Curacao today and leaving on October 13 for Port-au-Prince and Kingston. On October 18 he will return via Aruba to Curacao where he will stay for a few days.

### W. G. DE HASETH APPOINTED LT. GOVERNOR OF BONAIRE.

By Royal Decree N<sup>o</sup> 11, released for publication on October 3, the appointment of W. G. de Haseth to Lt. Governor of the island territory of Bonaire was confirmed, retroactive to September 5, 1952.

### APPOINTMENT TO CHAMBER OF COMMERCE.

Effective October 1, 1952, Mr. Mike Kuiperi entered the service of the Island Territory of Aruba. Mr. Kuiperi had been the secretary of the Chamber of Commerce in Aruba during the past five years. Mr. Lopi Beaujon was appointed to the position vacated by Mr. Kuiperi in the Chamber of Commerce effective the same day.

### HOLY CROSS SOCIAL COMMITTEE TO REPEAT DANCE AT N.W.I.A. HALL TONIGHT

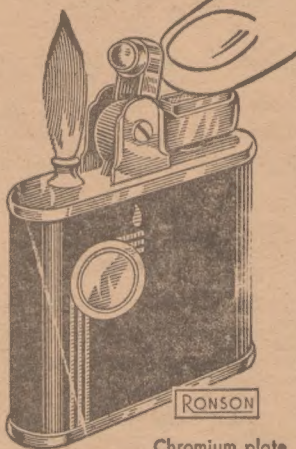

As "Francis" would say "Well, boys, here we go again!" Seems

according to the grape vine, the guys and gals had a real good time at the last shindig we put on at the N.W.I.A. Hall in July. Many requests have been re-

ceived to hold another "do", from both members and friends, so the Social Committee feel the sensible thing to do is to repeat. Accordingly, (in the words of the time-honored phrase), it has been arranged to "Same Time, Same Place, Same Price", once more, and *tonight* is the night. Add to this the 'Same Orchestra', and remembering that it's Saturday (you can sleep late, fellers) and you have a perfect set-up for a swell evening. In addition, you'll be helping the Anglican Building Fund, which once again sets up a "Double" of fun and a worthy cause. At the risk of being repetitive and boring, here's the dope:

Catch yourself a date for tonight and amble along to the N.W.I.A. Hall (You guys all know where that is( around 9 p.m. and get set to "traipse-in-a-trance" to the Caribbean Boys' hot sending of "latino specials". Drinks and food (where I come from we call it "vittles") will be on sale to cater to the inner man (and woman) — Souse — Pellau (Lucry) Cakes & Ice cream. If you haven't procured an Invitation from members, you can get them at the door (see elsewhere for what it'll cost you) where you pay your entrance. So, agree with "Francis" and come on out and "cut a rug" with us. SEE YOU ALL TONIGHT!

One politician when contacted referred to Canon Ramkesoon (who had recently come under bitter attack for an article "No West Indian Governor for Me") and declared: "Why stick my neck out? Look what happened to the Canon".

Grenada politicians were not so timorous. Said Hon. T. E. Marryshow: "It's a thing is suggested 40 years ago." The Hon E. M. Gairy was also in favor. Said he: "I agree with the suggestion. I feel these foreign governors live too far in variance from the people they govern."

### L. S. P. KORFBAL COMPETITION

Because of the late hour on which the baseball match was completed last Sunday, the Korfbal competition match between Flash and Noord Centraal could not be finished.

At half time it was too dark to continue and it was decided to play the second half of the match at a later date.

Tomorrow afternoon at 5, San Nicolas Jrs. will meet Jong Aruba at the Lago Sport Park in one of the postponed matches of the competition.

### SPARTA WINS CHAMPIONSHIP IN LAGO HEIGHTS K.O. COMPETITION.

In not too interesting a match Sparta struggled to a 2—0 victory over a much stronger TOF to end the Lago Heights korfbal knock-out competition last Thursday night and with it the Championship.

One basket was scored in each half of the match. TOF played a stronger field game, but was extremely unproductive, while the outplayed Spartans made excellent use of the very few opportunities coming their way.

**GAVILAN DECISIONS GRAHAM IN HAVANA TITLE BOUT.**

Following a postponement because of rain last Saturday night, an estimated 40,000 fans wended their way to the Grand Stadium, Cuba, on Sunday night to see native Kid Gavilan, World's Welterweight champion take a comfortable, unanimous 15 round decision from U.S'

Billy Graham with the crown at stake.

It was the most lopsided victory the Keed had staged in his 4 meetings with the Irish New Yorker, two of which were for the title. Graham was on the canvas twice and his right eye was badly bruised.

All three officials, (one judge being the Ring Magazine's editor) gave the fight to Gavilan by very wide margins.

Referee Mike Rojo who did a splendid job called it 15 points to 3, Judge Nat "The Ring" Fleisher saw it 16 to 7 and judge Joaquin Planas favored Gavilan 16 to 3.

The United Press using the round-score saw it 12 — 3 for Gavilan.

The Cuban scoring rules were used with a maximum of 4 points per round, no even score, allowed. Under Cuban point rules a draw is not possible.

Following the fight, Gavilan said he will try to force Sugar Ray Robinson into a title fight for the Middleweight crown. Gavilan was defeated twice before by the World's most perfect fighting machine, but now the Kid figures he's ready for the Harlem "Sugar Baby", who has been inactive since the 104° heat took the side of light heavyweight boss Joe Maxim in the one-sided title scrap in which Ray gave Joey a boxing lesson.

**A.V.B. NEWS.**

In order to get better acquainted with the problems, the plans and the progress of the A.V.B. (Aruba Football Association) a press-conference was arranged for at Dakota Airport's Restaurant, last Monday evening.

Represented were: "Arubaanse Courant" and The Local of Aruba; "Anigoe" "Beurs" and "La Prensa" of Curacao.

Preceded by an excellent dinner offered by the A.V.B. an-interview of the A.V.B.s top-officials took place. Speaking for the A.V.B. were: Mr. F. Beaujon, President Friar Henricus, Actg. Secretary, Mr. E. Hector, Treasurer.

Of interest to our readers will be the fact that the A.V.B. now has 37 different clubs registered as members (compared to about 5 or 6 a number of years ago) From this it is obvious that quite some progress has been made in memberships, during recent years.

As a consequence of this growth, the administration and coordination of these clubs into groups and classes for competitions requires unusual straining on the part of the A.V.B. board-members. Co-

peration by the clubs lightens their task considerably. There are however still some member-clubs which completely lack any sense of responsibility and/or common decency. It happens too often that a team scheduled to play a competition match simply stays away, without making any effort to notify the A.V.B. in time of their inability to appear or, of their complete withdrawal from the competition.

This not only causes the A.V.B. great inconvenience and financial loss but tends also to discourage the fans.

An appeal is therefore made to all clubs to fully cooperate with the A.V.B. Board for the benefit of the football sport in Aruba as well as for the greater glory of the A.V.B.

The A.V.B. is an institution which is endeavouring to do a great deal of good to Aruba's youth and they certainly deserve every bit of cooperation they can be given, in the first place by the members, individually as well as collectively.

Questioned about the lights for the Stadium, the A.V.B. advised that this is a matter which is being handled by the Wilhelmina Stadium

Foundation (popularly known as the "Stichting").

It was known however that the lighting facilities are expected to be installed in the course of next month. The necessary material was already on hand, except for the light poles which are under way, however, and will arrive here very soon.

\* \* \*

The postponed interland tournament, which, among others is to include Aruba, Surinam, Haiti and British Guiana, is being planned now for February next year.

\* \* \*

Word was received that the Dutch firm of "LIEBIG" (Bouillon Cubes etc.) has offered a trophy of a silver Windmill to be played for between Aruba and Curacao in an inter-island tournament consisting of 6 matches, 2 matches to be played every 6 months, alternately at Aruba and Curacao. The first 2 matches are expected to be played next month.

Twenty eight players will be selected to partake in a regular training program, in order to have an A.V.B. team continuously prepared for all eventualities.

Another noteworthy item of good news was the formation of a referees association about a month ago.

Over 20 referees have joined. The association aims at improving the standard of refereeing by conducting classes and holding discussions. To become a member one is required to pass theoretical as well as practical examinations. . . . Indeed a great step in the right direction.

The third game and the first which took place in Yankee Stadium last Friday ended in a 5—3 victory for the Dodgers.

A crowd of 66,698 witnessed the game.

The first inning was scoreless. In the 2nd half of the second Bauer walked and advanced to 2nd on McDougald rolling to first. Lopat singled past Robinson scoring Bauer, Yankees 1—0.

In the third inning Furillo's hit was touched by a fan down the rightfield foul line and was given a double. Reese bunted safely advancing Furillo to 3rd. Robinson flied Furillo in to score, 1—1.

The fourth went by scoreless. In the 5th. Cox singled and went to 2nd. on a sacrifice by Roe. A single by Reese and Cox went in to score putting the Dodgers in front 2—1. Nothing came across in the 6th. and the 7th.

In the ninth Reese and Robinson singled and both worked a double steal. A pass ball of Berra's finger scored both Reese and Robinson putting the Dodgers 3 runs in front.

The ball was first called a wild pitch but Berra took the blame.

In the bottom of this inning the Yanks scored one run when Mize who batted for pitcher Gorman slammed a homer into the rightfield stands, ending the game by a score of 5—3.

The winning pitcher was lefty Preacher Roe who pitched a very fine ball game allowing only 6 hits. The losing pitcher was Ed Lopat who was relieved by Tom Gorman in the ninth.

A crowd of 71,787 saw the N.Y.

Yankees shutout the Brooklyn Dodgers in the fourth game at Yankee Stadium by a score of 2 — 0 last Saturday.

The first three innings were scoreless. In the 2nd half of the 4th, big Johnny Mize hammered a home run into the right field stands to give the Yanks the lead 1—0.

The 5th, 6th and 7th. were also scoreless. In the bottom of the eighth Micky Mantle hit a tripple, the ball went over Duke Snider's head and hit the wall about 461 feet away. Micky continued for home when Pee Wee Reese' throw was late and went over the 3rd base line; score 2 — 0 for the Yanks. The 9th. brought no change in the score.

The winning pitcher was big chief Allie Reynolds who allowed only 3 hits and struck out ten. Up to this game Allie was the only effective pitcher to win 5 games in world series games. The losing pitcher was Rookie right hander Jo Black who was relieved by Johnny Rutherford.

A sensational catch was made by Duke Snider when Yogi Berra hit the ball 400 feet away with all the looks of a homer. A similar catch was made by famous Jo Di Maggio in 1947.

The fifth game ended in a 6—5 victory for the Brooklyn Dodgers in the 11th inning last Sunday. The crowd was estimated at 70,536.

The first inning was scoreless. In the 2nd Robinson walked and advanced to 2nd on an infield hit by Shuba, stole 3rd off Campanella's faked bunt and came in to score on Pafko's single, to put the Dodgers ahead 1—0. The 3rd and 4th were scoreless.

In the 5th, Hodges walked, Erskine bunted, the throw by pitcher Blackwell was late and both runners were safe. A long fly by Reese scored Hodges. "Arch" Duke Snider followed suit by smashing a homer in the right field stands to give the Dodgers a 4—0 lead.

In the bottom of the 5th Bauer walked and Marten's single started a rally.

Noren pinch hitting for Blackwell at this stage singled, scoring Bauer and sending Marten to 3rd. Noren was forced on Mc Dougald's play scoring Marten, Rizutto singled and Mize hammered his 3rd homer of series with 2 men on base to put the Yanks in front 5—4.

In the 7th., with tension at its peak, a high bounder by Cox put him safe at first. He advanced to 2nd on a sacrifice bunt by Reese and a single by Snider scored Cox to tie the ball game 5—5.

Innings 8, 9 and 10 went by scoreless. The Dodgers scored the winning run in the 11th., when Cox singled and was sent to 3rd on Reese' single. It was again Duke Snider who slammed a two bagger to score Cox, and the winning run. With the bases loaded Johnny Sain put the fire out.

In the bottom of the 11th. the tying run was nearly scored when big Johnny Mize hit a tremendous line drive. A sensational leap by Carl Furillo, however, did away with it. Winning pitcher was Erskine who went all the way. Losing pitcher

was Sain who relieved Blackwell in the 6th.

A crowd of 30,037 witnessed the sixth world series game at Ebbetsfield on Monday last, and saw the Yanks eke out a close 3—2 victory.

The first 5 innings were scoreless. In the 6th Duke Snider hammered a homer over the right field screen putting the Dodgers in the lead 1—0. In the 7th Berra slammed a homer into the right screen. Woodling singled and went to 2nd when Loes balked. A hot grounder by Rashi bounced off Loes legs scoring Woodling and giving the Yanks a 2—1 lead.

The top of the 8th brought in another Yankee run when Micky Mantle banged a homer into the lower left-center stands, score 3—1. In the bottom of the 8th another homer was smashed into right field by Duke Snider, Score 3—2. The 9th. brought no change in the score.

The four home runs Duke Snider has hit during 6 games in world series put him in the same bracket with baseball's all time greats Babe Ruth and Lou Gehrig. Babe Ruth hit 4 in the 1926 and Lou Gehrig in the 1928 series.

Vic Raschi was the winning pitcher but was relieved after 7—2|3 innings by big Oklahoma Chief Alie Reynolds when things went dark on Raschi. With this win Raschi's total wins hit the figure for world series games.

The losing pitcher was Billy Loes who did a fine pitching job. He was relieved by Preacher Roe after 8-1|3 inning of pitching.

The seventh and last game of the world series of 1952 came to an end on Tuesday last with the Yanks as victors by a score of 4—2.

It was one of the most exciting games in baseball history. The crowd was estimated at 33,195.

The first 3 innings were scoreless.

In the top of the 4th. Rizutto doubled and went to 3rd. on Mantle bouncing ball. Mize singled into

Bottom of the 4th. Snider singled,, Robinson bunted safely. Campanella's surprise bunt loaded the bases. Reynolds relieved Lopat allowed only one run when Hodges flied to Woodling scoring Snider to tie the score 1—1.

In the 5th. Jo Black's first pitch was smashed over the right screen for a home run by Gene Woodling putting the Yanks in front 2—1.

In the bottom of the 5th Cox doubled in right-center and went into score on Reese single to left to tie the score 2—2.

In the sixth Micky Mantle crashed a homer over the right screen to put the Yanks again in front 3—2.

In the seventh McDougald singled, Rizzuto sacrificed McDougald to second. Mantle singled over Reese's head scoring McDougald and bringing the score to 4—2 which was unchanged til the end.

The Yanks used 4 pitchers. Big Chief Allie Reynolds was the winning pitcher making his total wins in world series 6. The great pitcher of the game however was lefty Bob Kuzava who came in the 7th with bases loaded, one out, facing Duke Snider and Robinson and pitched his way out. The losing pitcher was Rookie right hander Jo Black.

The Dodgers used 3 pitchers. Jackie Robinson said the Yanks didn't miss Jo DiMaggio but it was Mantle that killed us.

Each player of the winning team will receive about \$ 6,000, and \$ 4,000 will go to each of the losers.

A spectacular catch was made in the ninth by Woodling when Reese hit a long drive, which for a moment raised the hope of the Brooklyn fans.

The Dodgers failed for the 6th time to become World Champs while the Yanks are holders of the Championship 15 times in 19 tries.

#### MOSCOW.

Over 2,000 delegates were present last Monday for the opening of the first All Soviet Communists Party Congress since 1939. The opening speech was delivered by Georgi M. Malenkov, the leading member of the present Politburo. In his speech, he charged that United States is driving the capitalistic world toward economic breakdown and war while his country seeks only peace and is growing ever stronger and more prosperous.

He declared later that with respect to peace, the bosses of the United States, not the people, had decided to wreck the peace and prepare a new war, a war on the Soviet Union, the chief opponent of a new awr, and the chief pillar of peace.

The Soviet Union is unwaveringly carrying out a policy of peaceful cooperation with all countries, but because of the threats of new aggression from the side of the Western warmongers, it is strengthening and will strengthen its defence capabilities.

Persian oil dispute, but no decision was announced.

The note pointed out that the fears which the Premier had expressed about future British action in Persia if an oil settlement was reached on the basis of the August 30, Truman-Churchill proposals were without foundation, and expressed disappointment that the proposals should have been misunderstood in so many ways. Dr. Dean Acheson, U.S. Secretary of State, forwarded a message to the Premier

The shah of Persia backed Mos-

sadeq in his handling of the nationalization of the country's oil, and expressed his admiration and appreciation of the Premier's efforts.

#### EGYPT.

After defying the Government order to pure or dissolve order without Mr. Nahas as its leader, the Wafd Party bowed to the Government and register with a new leader.

The reorganized party executive, in submitting the new organization, pointed out that Nahas, who is

now 77 years, has been made an honorary president of the party for life, while the active leadership will be held by Abdel Gomaa.

Crowds of young wafd supporters staged a pro-Nahas demonstration after it was announced that Nahas would be removed and that the party would register without him.

The decision to submit to government decision was made three days before the deadline.

#### GREAT BRITAIN.

In a nation wide broadcast, Mr. Winston Churchill appealed to the British people to subscribe their pounds and pennies to a fund in memory of King George VI. In his appeal, he said that a statute of the Monarch who died last February, to carry to the living generation and to those who came after us a physical presence of the King, must be the first task of the memorial fund. We are sure, however, that the King would have wished that a greater part of the money which we hope to collect will be spent in support of causes which he cherished and for which he strove.

It is proposed to erect a Statute, lifesize and to create a permanent foundation called after King George VI for the spiritual, mental and physical needs both of the young and old.

#### EAST GERMANY.

In an order of the day for the third anniversary of the Soviet sponsored East Zone Republic, the People's Police Chief disclosed that many comrades have been transferred from police duty to alert units in order to help organize the defense of our homeland.

The disclosure confirms the fear that the People's Police constitute the nucleus of a future army. The police units number more than 100,000 men who are being trained under supervision of Soviet officers, and are equipped with soviet weapons, including artillery pieces.

GLOOMY FORECAST

New York (Vaz Dias) - A pessimistic view of the 1935 business outlook is held by the Research Institute of America which predicts that U.S. business has no

more than a year in which to prepare for a recession that may be deeper and longer-lasting than any which occurred since the Thirties. Publication of the Institute's report was advanced in order to allow the business world more time to prepare for the storm "before the start of lower sales, prices and earnings". The analysis concludes that the outcome of the Presidential election will not affect this prediction, but admits that a new foreign crisis might change the picture.

At the foot of the mountains the girls descend. The guide remains with the camels and the girls start the clambering up the mountains. After about an hour and a half, they reach the edge of the mountainridge and to their surprise they look down into a valley, in which

a small settlement is situated. Now they are sure, they are on the right track, as this settlement is also on the map. "You can hardly believe, that this valley hides so great a mystery". Willy says "it looks so peaceful". But that peacefulness is deceitful, as all around the villa-

ge aimed guards stand watch: Arabs with eagle's eyes, which continuously scan the surroundings. Already they are alert, as the girls have been spotted. And two of them spur their horses, while Willy and Marga are still unaware of the threatening danger.
